

# In My Place

Words and Music by Matt Damico

## Verse 1

**D**                                **Dsus D**                                **Dsus D**  
God in heaven, high and ho – ly, measure of all good and beau – ty.  
**A**                                **G**                                **D**  
Who can stand before the fire of holiness?

## Verse 2

**D**                                **Dsus D Bm**                                **G D**  
Sinners here so poor and nee – dy; who would come and clear the guil – ty?  
**A**                                **G**                                **D**  
If you numbered all our sins, Lord, who could stand?

## Chorus

**Bm**                                **G**                                **D**  
In my place he stood, all my debt nailed to the wood.  
**G**                                **Bm**                                **A**                                **D /// | Dsus /// | x2**  
All my stains washed white by the blood of Christ, my life

## Verse 3

**D**                                **Dsus D Bm**                                **G D**  
Justice satisfied at Cal' – vry, sin there silenced by His mer – cy  
**A**                                **G**                                **D**  
Where, O death, is your reply to Christ, our King?

## Chorus

**Bm**                                **G**                                **D**  
In my place he stood, all my debt nailed to the wood.  
**G**                                **Bm**                                **A**                                **Bm /// | G /// | D/F# /// | Asus / A / |**  
All my stains washed white by the blood of Christ, my life

## Verse 4

**D**                                **Dsus D Bm**                                **G D**  
Saints, forgiven, sing to Je – sus, bow before the lamb slain for us  
**A Bm**                                **G**                                **D**  
Halle - lujah to the Savior evermore!

## Chorus

**Bm**                                **G**                                **D**  
In my place he stood, all my debt nailed to the wood.  
**G A Bm**                                **A**                                **D / Em D/F# |**  
All my stains washed white by the blood of Christ, my life  
**Bm**                                **D/F# G**                                **D**  
In my place he stood, all my debt nailed to the wood.  
**G**                                **Bm**                                **A**                                **Bm / D/F# / |**  
All my stains washed white by the blood of Christ, my life  
**G**                                **Bm**                                **A**                                **D - Dsus - D - Dsus**  
All my stains washed white by the blood of Christ, my life
